RAYMOND AUER IS COUNTY SCHOLAR

FIRST THREE EIGHTH GRADE PRIZES FROM CONCEPTION.

ELIZABETH O'CONNOR, L. WEIDERHOLT WIN

Full List of High School Scholarships Announced by Bert Cooper—Many Complications.

By the announcing of the county scholarship winners of the eighth grade pupils, the Catholic students in and near old Conception scored heavily in the prizes. The first and the second highest grades were made by pupils of the public school in Conception, known as the Immaculate school, which is taught by Sister M. Flavia.

Raymond Auer of that school got the highest grades in the county with a percentage of 94.5. A classmate, Elizabeth O'Connor, with a grade of 92.7, was second. Lawrence Wiederholt of St. Mary's public school, south of Conception, was only one-tenth of a point behind the O'Connor girl.

The first winner has the choice of a four-year scholarship in the Maryville high school, a $55 tuition in the Maryville Business college or ten weeks schooling in the Maryville Conservatory of Music. The M. H. S. scholarship is open to him alone. If he chooses this, Miss O'Connor will be given a choice between the two, and Wiederholt will get the remaining one.

If Auer should choose to take one of the two other than the Maryville high school tuition, nothing would be left for Wiederholt, for the board of education here decided to open their prize to the highest in the county only. The examinations for the eighth grade graduations were given several months ago and the papers have been graded and the commencements held.

Various Complications Seen.

Several complications are created by several schools offering prizes for the same townships. For instance, the Burlington Junction, Elmo and Clearmont high schools offer free tuitions for the highest in the townships of Lincoln, Atchison and Nodaway. Esther Jones of Pleasant Valley school has her choice of all three of these schools.

The winners as given out by County Superintendent Bert Cooper are:

Hopkins—First, Thomas Olds, Hickory Grove; tie for second, Earl Alexander and Thelma Beam of Fairview school.

Burlington Junction—First, Esther Jones, Pleasant Valley; second, Charles Springer, Pifer.

Barnard—Tie for first between Neola Saxton, Blackman, and Laveta Epperson, Swallow.

Elmo—For three townships, Esther Jones; for Lincoln township, Lettie Walker, Lorain.

Guilford—Irvin Laughlin, Washington.

Parnell—For Independence township, Harriet Lewis, Oak Grove; Jackson, Charlotte Green, Moore.

Clearmont—First, Esther Jones; tie for second between Thomas Olds and Lettie Walker; third, Helen Spangler, Pleasant Valley.

Ravenwood—First, Charlotte Walker; second, Wilbur Cox, Casteel.

Pickering—First, Doris Gray, Glendale; second, Harold McClurg, Mowrey.

Skidmore—Alto Arkoe, Eureka, for girls; Walter McDowell, Scrub Oak, for boys. Hollis R. Hayes won the highest grades in this township but was ineligible since he finished the eighth grade work last year and merely reviewed for the examinations.

Graham—Iles McNeill, Hazel Dell. No girl was eligible although one of the scholarships in the Graham school was offered to them exclusively, as in the Skidmore school.

Besides the exceptions noted in the foregoing, the following are ineligible: pupils living in towns; those having "exempt" grades from approved schools unless they take all of the examinations over again; those who have passed the examinations before but who seek to raise their grades.

It will be seen also by the foregoing that Charlotte Green has her choice

FEDS MAY PLAY LINCOLN

If Western League Leaders Are Secured for Next Wednesday, New Stars Will Be Added.

The Lincoln, Neb., Western league team will play here Wednesday if plans which are on foot today are matured. The Lincoln team finished a series with St. Joseph the day before and have an open date before they open with Omaha, June 15. In case the date with the Western league leaders is secured, Manager Cleav Funk of the Feds will secure a number of stars for that day and the fans will be given a great ball game.

The ball game will serve as an advance attraction for the "Human Fly" day Thursday and for the Normal commencement and tenth anniversary crowds, many of whom will still be in Maryville.

PATTERSON KILLED

NECK BROKEN AS BUGGY OVERTURNS LAST NIGHT.

BLIND HORSE OFF ROAD

Was Born in Maryland, 71 Years Ago, Coming to Nodaway County in the Seventies.

The inability of an old blind horse to find the road home last night cost the life of William Patterson, 70 years old. The old man headed for home yesterday afternoon after spending most of the day in Maryville. Henry Moore, living 4 miles northwest of town saw him pass about 6:30 o'clock.

At 7 o'clock Alfred Cockayne was driving past the Jerry Vaughn corner and discovered Mr. Patterson lying beneath his overturned buggy. The old mare was standing there quietly munching grass along the road. It is believed from the tracks that the blind horse had followed the road safely thus far but had become confused at the cross roads and ran up on the bank turning the vehicle over.

Mr. Patterson's neck was broken. Dr. Will Wallis, Jr., coroner, was called and held a view inquest after which the body was taken to the Patterson home 2 miles further on from the scene of the accident.

Mr. Patterson was born in Maryland May 11, 1845, and served in the Civil war. He came to Missouri about forty years ago and has since lived near Maryville. He married his first wife, Eleanora Sidoris, in Cedar Rapids, Ia. Of this union were born three children, Louis Patterson of Oklahoma and Miss Millie Patterson and Mrs. George O'Connell of Cedar Rapids.

His second wife was Letitia Hutchinson of Skidmore, whose death occurred about twelve years ago. The children of his second marriage are: Miss Hattie Patterson and Mrs. H. N. Culbertson of Otis, Colo., and Oliver E., Clyde T. and Glen H. Patterson, all living near Maryville.

The funeral will be held Saturday from the family home, eight miles northwest of Maryville. The Rev. Gilbert S. Cox will conduct the funeral service, and burial will be in the Oak-Hill cemetery.

THOUGHT HOLDUP A JOKE

So One Young Woman in Oklahoma Party Is Dead and Another Is Seriously Wounded.

Special to The Democrat-Forum.

Wichita, June 8.—A lone highwayman held up a party of twelve last night in the oil fields east of here. Ellen Miller, one of the group of sightseers, thought that the robbery was a joke and advanced toward the robber and laughingly told him to shoot. He shot and the young lady was instantly killed.

Dorothy Snyder, another of the young women, was shot and seriously wounded. The bandit fled.

PICKERING CHILD'S DAY

Myrtle Tree Children Will Also Take Part in Program Sunday Night.

There will be preaching at Myrtle Tree Sunday morning at 11 o'clock. In the evening Children's Day will be observed by the Sabbath school.

The public generally invited to each service of the church. A cordial welcome awaits you.

EDWARD R. KELLEY, Pastor.

OUR NORMAL LEADS

HIGHEST PERCENTAGE OF INCREASE IN MISSOURI NOW.

22 MORE STUDENTS HERE

Table Prepared by President Richardson Shows Other Schools of State Behind Fifth District.

Maryville Normal is leading every other Normal school in Missouri this summer in the percentage of increase. The enrollment here is 3 per cent larger increase than that of Kirksville Normal its nearest competitor. Warrensburg Normal, long considered the leading Normal school of the state, shows a decrease in enrollment.

A lull was taken in the strength growth today, only one new student enrolling with Treasurer George H. Kemp. This brings the number to 661. The Board of Regents will meet next Monday. At this time they will be shown the following encouraging report, prepared by President Ira Richardson.

The figures which follow are for the total enrollment up to noon yesterday. It gives the enrollment last year for the summer session, for thus far this year and the per centage of increase.

	Summer Term.		Pct.
Normal	1915	1916	Inc.
Kirksville	1,026	1,228	19.68
Warrensburg	1,144	1,334	16.60
Cape Girardeau.	819	778	*5.00
Springfield	1,410	1,600	13.47
Maryville	540	660	22.22

*Decrease.

This shows that the State Normal school of this city is making the highest percentage of increase in its summer enrollment. For the last three years Maryville and Kirksville show a steady increase in the summer term enrollment. This will probably be true of Cape Girardeau by the end of the summer session. Warrensburg and Springfield both show a decrease last year over the preceding year.

AMERICANS FLEE MEXICO

U. S. CONSULATE IN CHIHUAHUA STONED BY ANGRY MOB.

Several Citizens of This Country Missing—Fresh Outbreaks All Over the Country.

Special to The Democrat-Forum.

Washington, June 8.—Confidential official dispatches today say that all the Americans are fleeing from Chihuahua as the result of a Mexican uprising last night. The American consulate was stoned and several Americans are missing.

Steadily Worse in Mexico.

Washington, June 8.—Official dispatches of American consuls in Mexico tell of fresh outbreaks against the present rulers because of the seizure of the paper money by Carranza. Unnegotiable receipts were given in exchange.

Band Program Tonight

March, "Light Guards" (Gibson).
Overture, "Barber of Seville" (Rossini).
Fox Trot, "Ragging the Scale" (Dalby).
Country Scenes No. 6, "The Woodland Inn" (Fulton).
A Trombone Smear, "Lawsy Massy" (Jewell).
Waltz, "Wedding of the Winds" (Hall).

March, "America, I Love You" (Recker).

BRADLEY FOR AUDITOR HERE.

Bonne Terre Man Seeks Nomination for Gordon's Place.

John L. Bradley of Bonne Terre, St. Francois county, is in Maryville today meeting the Democratic voters in the interests of his candidacy for the nomination for state auditor. He has been a member of the state senate and is the author of most of the bills which have been made laws for shorter working hours for laboring men and other ameliorating measures.

Mrs. Jacob Baugher and son, George of Skidmore, spent today in Maryville.

FORT VAUX FALLS

FRENCH ADMIT LOSS OF IMPORTANT VERDUN DEFENSE.

ALL TROOPS IN IT DEAD

German Admiralty Admits Loss of Only 11 Ships—Bulgars Fight in Greece Again.

Special to The Democrat-Forum.

Paris, June 8.—The capture of Fort Vaux is officially admitted by the French war office. The fort was demolished by the shell fire and a German curtain fire prevented the sending of reinforcements. The number of defending soldiers which surrendered is not known but it is believed that most of the troops were killed.

Admit Sinking of Cruisers.

London, June 8.—A Central news dispatch says that the German admiralty admits the sinking of the cruisers Lutzow and Rostock while they were proceeding to the harbor for repairs following the Jutland battle. The dispatch says that the Seydlitz was sunk off the coast of Denmark while it was being towed by torpedo boats.

Germans Lost 11 Warships.

Berlin, June 8.—The German admiralty admits the loss of eleven warships in the battle off Jutland. The list includes all the battle cruisers and other small boats, according to the admiralty.

More Fighting in Greece.

Saloniki, June 8. —Another violent engagement between the French and Bulgarians occurred on Kupa hill in Grecian Macedonia yesterday. The Bulgarians withdrew.

WILL FIGHT SUFFRAGE

4 o'Clock Bulletin.

Chicago, June 8.—At 1:32 o'clock today the Republican resolutions committee announced that it was not ready to report and an adjournement was taken until 4 o'clock.

These seems to be little doubt that a strong fight will be carried on the floor of the convention against the woman's suffrage plank in the platform. This plank carried in the committee, 26 to 21, with seven absent. The "antis" are trying to line these seven up for reconsideration.

If this effort fails, the fight will go to the floor of the convention.

TEMPERATURE FROM 49 TO 71.

Just Traces of Rain Several Times Yesterday and Today.

June for eight days now has been a peculiar month. Chilly, fresh, raw and bitter winds have blown and every hour or two there will be a trace of rain. Today at noon it took little imagination to say that it snowed. At least the rain was congealed slightly.

T. E. Fordyce of Burlington Junction, was a Maryville visitor today.

FOR TEDDY ANYWAY

COLONEL'S APPEAL FOR HARMONY FAILS WITH RADICALS.

ONLY TEMPORARY CHECK

Platform Echoes 1912 With "Americanism" and Preparedness as New Issues—T. R. Couldn't Frame G. O. P. Planks.

Special to The Democrat-Forum.

Chicago (Auditorium), June 8.—The Progressive delegates went into their convention today in a much less aggressive frame of mind. Roosevelt's telegram that he would come to Chicago and address the Republican convention if so requested had the effect of checking the impetuosity of the Moosers.

Although Roosevelt's harmony message served as a temporary check to the impulsive Progressive delegates, it failed to stop the insistent demand for the immediate nomination of the colonel.

Disregarding the appeal of Roosevelt for both the Republicans and the Progressives to join in a general fight against the Democrats, the mass of the Progressives went to the convention this afternoon determined to force the immediate nomination.

Moose Platform Still Radical.

Chicago, June 8, (Auditorium).—The platform of the Progressive party is as radical as that of four years ago, many of the planks being picked up bodily according to a special creed. Several new features are added.

Full woman suffrage and equal political rights for women are demanded. Along the preparedness line, a navy second to England only is declared to be necessary. A standing army of a quarter of a million is called for with universal military training but without federal pay.

Another plank recommends a reserve force which should be a federal and not as the present national guard. The protective plank is repeated.

No Agreement on Platform.

Oyster Bay, June 8.—Former President Theodore Roosevelt declined to reach an agreement with the subcommittee on resolutions of the Republican national convention. It was agreed early today to abandon the efforts to complete a platform and to submit a tentative draft to the full committee on resolutions.

Americanism is said to have been the plank over which the Republicans and Teddy could not agree. The Colonel insisted on a strong pronouncement against the German-American Alliance and "hyphenism."

T. R. CONSENTS TO SPEAK IN CHICAGO

WILL ADDRESS REPUBLICANS IF REQUESTED BY DELEGATES.

HUGHES' NOMINATION SEEMS CERTAIN NOW

News That Colonel Might Speak Before G. O. P. Meeting Caused Moosers to Quiet Down Considerably.

Special to The Democrat-Forum.

Chicago, June 8.—Roosevelt wired from Oyster Bay today that he would come to Chicago and address the Republican convention if the delegates requested him to do so.

Hughes will be nominated by the Republican convention unless the Progressives can agree on some other candidate satisfactory to Roosevelt.

This decision was made today at a conference of Republican leaders who are in absolute control of the convention.

Congressman Attacks Hughes.

Washington, June 8.—The fact that Hughes is permitting his name to be used as a candidate for the Republican nomination for president while still a member of the U. S. supreme court was attacked on the floor of the house today by Congressman William Murray of Oklahoma. "Alfalfa Bill" said that the least the justice could do would be to protest against its use.

Convened Today at 11:23.

Chicago, June 8.—The Republicans convened today at 11:23. The report of the committee on credentials was adopted and the temporary organization was made permanent. The committee on rules brought in a report by which the representation of the convention should be made in accord with the various state laws. The rules were recommended by the National committee.

The entire report of the rules committee was adopted. The platform committee's report was then taken up. It contains a woman's suffrage plank, a demand for a more vigorous Mexican policy and an "Americanism" plank. The last named issue is stated in general terms to prevent a fight on the floor of the convention.

Next 24 Hours Will Tell.

Chicago (Coliseum), June 8.—The next twenty-four hours will tell whether there is to be harmony or not in the Republican party. The G. O. P. convention assembled this morning with the situation unchanged so far as outward appearances are concerned.

The final conference upon which peace or war hinges has been arranged for tonight.

The radical Bull Moose leaders, convinced today that nothing can prevent the nomination in their party at least, adopted a less aggressive attitude today. It is practically conceded also that Justice Hughes will be the nominee of the Republicans, but it is declared that a solution may yet be found if the Republicans are just reasonable.

Mrs. C. W. Rose of Arkoe was a visitor in Maryville yesterday.

of the two-years tuition in Ravenwood or the one-year in Parnell. Which ever one she chooses will leave the other open to the one next highest in grades.

An extraordinary complication was created in the north and west part of the county. If Esther Jones chooses Burlington Junction or Elmo, this will leave the first place open at Clearmont. Thomas Olds, winner of the two-year prize at Hopkins, is tied for second at Clearmont with Lettie Walker, winner of the two-year prize for the Elmo school from Lincoln township.

There is a possibility that the first three winners at Clearmont may choose to go elsewhere and Helen Spangler would take the first prize and the next highest grades below her would be eligible for the two-year and one-year scholarships. The first prize carries a three-year tuition prize.

ELLIS G. COOK AT NORMAL.

Former County Teacher Tells Students of Their Responsibilities.

Ellis Cook spoke to the Normal students this morning. He brought out in a forcible way, the great responsibility which rests upon the shoulders of the teacher. The school room is the training course for citizenship, he said, and if the school boy becomes a law breaker, the school teacher is to a degree responsible. The talk created considerable comment among the students and was evidently well received. Mr. Cook, before being admitted to the bar was a teacher in several of the towns of Nodaway county.

Notice to the Public.

On account of some person or persons shooting nine hogs for me last week, I will allow no hunting or fishing or trespassing on my premises. I offer a reward of $25 for evidence to convict the persons who killed my hogs. C. H. Wilson. 7-8*

A MARYVILLE INTERVIEW.

Miss McClurg Tells Her Experience.

The following brief account of an interview with a Maryville woman over seven years ago, and its sequel, will be read with keen interest by every citizen.

Miss Harriet McClurg, 405 E. Thompson street, Maryville, says: "I was troubled by pain and weakness in my back and hips and I could hardly get around. Doan's Kidney Pills stopped the trouble as soon as I used them, and strengthened my kidneys." (Statement given Sept. 19th, 1908.)

Over four years later Miss McClurg said: "I don't know what I would have done, had it not been for Doan's Kidney Pills. They have done wonders for me."

Price 50c, at dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss McClurg has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

RURAL SCHOOLS PAPER

TO BE STARTED BY MISSOURI H. S. PUBLISHERS.

Magazine Is Issued for Exchange of Country School Problems and Achievements.

In October, 1914, the Missouri high school, a new and rather unique magazine appeared. It was unique because of two things; first, it was to be a magazine for high school students to read; second, high school students were to furnish a large part of the context of the magazine. The publishing of this magazine was an adventure in journalism, a departure into an unknown field, so far as the editor can ascertain. It has been a success however, and the editor now proposes to go a step farther, and publish a similar magazine for the rural teacher—similar because the rural teacher will be asked to contribute a large part of the material for it.

The underlying feature of the Missouri High School, the exchange of ideas, is a basic principle of systematic education and progress and when applied to rural school problems should prove of great benefit to the rural teachers of Missouri. For the first year the magazine will be published quarterly in connection with the Missouri High School and will be known as the Rural School News. The first number will be out August 15. Sample copies will be sent to an agent in each county in time for the August institute meetings. The editor hopes that the rural teachers of Missouri will support the magazine.

An invitation is hereby extended to all rural teachers to send in contributions. These should be short articles, from one to four hundred words, dealing with incidents in their teaching experience which may be interesting and helpful to other teachers, especially to those teaching for the first time this fall. Contributions may be sent in any time to the editor, May E. Dennis, Columbia, Mo.

NOW AT ST. LOUIS--

OH! YES, THERE IS TO BE ANOTHER CONVENTION.

AND ABOUT GOV. MAJOR

George B. Baker and George W. Akers Have Mixed Orders on Vice-Presidential Balloting.

Northwest Missouri Democrats are "ferninst" Elliot W. Major, governor of Missouri, for the nomination for vice president of the United States, and are "fer" Thomas R. Marshall, now vice president. This at least, is the expression of the Democrats of the Platte Purchase, otherwise the Fourth congressional district, at the convention here last spring, and this expression will be carried into the convention in St. Louis next week by George W. Akers of St. Joseph, and George B. Baker of Maryville, the two delegates to the national convention.

Gov. Major is trying hard to go into the convention with all of Missouri's thirty-six votes. In the recent convention held in St. Joseph, one of the most notable state meetings ever held by the Democrats, instructions were given to the eight delegates-at-large chosen by the convention to cast their ballots for Major. However, this instruction only went to these eight men, each of whom has a half vote.

Instructed for Marshall.

On the same day that the state held its convention, each congressional district held a convention, and it was at the congressional convention that Akers and Baker were elected, and they were instructed to support Marshall for the vice presidency. They still have these instructions and as a result would not be in position to support Major, even though they were so inclined. With the Fourth district delegates holding to their instructions, the governor of Missouri cannot go into the convention with the entire delegation behind him.

There is only one way in which Major can have the support of all the Missourians, and that is to get the majority of the thirty-six delegates, and then have the state cast its vote as a unit. In such case all of the Missouri delegates would be counted the way the majority voted. It is very likely that the governor will be able to get enough of the delegates to carry through his wishes, provided that the unit system of voting is adopted.

Plan Special Train.

Akers and Baker will leave for St. Louis Sunday night so as to be on the ground when the big show begins. The Monroe club is working on a plan for a special train out of here for St. Louis June 13.

All of northwest Missouri has been invited to join, and Akers as one of the delegates, has received numerous letters from those who want to go with the St. Joseph crowd. It is believed that a crowd of 400 or 500 will be made up here.—St. Joseph Gazette.

NEWS FROM ALL Northwest Missouri

The North Washington correspondent of the DeKalb County Herald says: "As Elias Hinderks and his little four year old son, Preston, were driving their Ford car from Stewartsville, going about 30 miles an hour, the little boy asked his father not to go so fast. Mr. Hinderks deadened the engine and just as the car was about to stop a front wheel came off, and the boy was thrown over the windshield, but his father caught him and prevented a serious accident. Had not the boy spoken to his father as he did no doubt both would have been killed."

The May rainfall in Atchison county was 11.57 inches. The wettest month last year—July—made a record of 14.50 inches at the same station.

Grand Father Never Knew

But what he could see just as well as most other people—he had no one to go to to find out. Had he lived in this day and age we could have helped him enjoy his declining years in comfort. We can help you.
